Multiplying in Macedonia

Acts 16:11-15

Our Scripture passage this morning finds Paul and his missionary team in Philippi, which was an important city in Macedonia. While in Philippi, they have an encounter with a woman named Lydia. Let's unpack the truths of multiplication found in this passage.

Notice...

I. God _____ His Creation (vv.11-12)

- *"In the beginning, God created the heavens and the earth."* - Genesis 1:1
- God provided favorable _____!

II. God _____ His Call (v.13)

- In this verse, we discover the providence of God leading _____ who are prepared to share the gospel to _____ who are prepared to hear it.

III. God _____ His Child (vv.14-15)

- Notice four things about Lydia's conversion that are true about every Christian conversion:
 1. The _____ of Conversion
 - *See John 1:13; 6:44; Ephesians 2:8*
 2. The _____ of Conversion
 3. The _____ of Conversion
 4. The _____ of Conversion
